

S&G

S&G, or Sierteelt&Groenvoorziening (Flower Growing & Landscaping) in full, is the AVBS member magazine. As the Flemish Green Federation, the AVBS offers its members a wealth of specialised information every month. From advocacy, legislation and tax regulations to cultivation techniques and new trends in flower growing and landscaping. S&G is a source of professional information for professional growers and garden contractors and is also supported by all leading floriculture research institutions in Flanders.

Thanks to its sturdy paper, it remains in every company for a month and is read by an average of five people.
