

Buiten

Buiten is the members' magazine of Landelijke Gilden and is published four times a year. The magazine focuses on the countryside, its residents, and activities, and radiates confidence in the future.

Its readership is diverse: families, men and women of all ages, self-employed individuals, employees, and retirees. In addition to dossiers and initiatives from Landelijke Gilden, Buiten offers gardening tips, member benefits, and travel ideas.

The magazine reflects what Landelijke Gilden stands for: a warm community that strives for the livability of rural areas and organizes joint activities related to agriculture and horticulture.
